

Isaac L. Quelemine

Junior Software Engineer | Full Stack Developer

Location: Liberia / Rwanda

Portfolio: <https://queleminetech.info>

PROFESSIONAL SUMMARY

Junior Software Engineer and Full Stack Developer passionate about building modern software solutions that solve real-world problems. Experienced in frontend development, backend engineering, databases, REST APIs, and software development practices. Interested in creating reliable, scalable, and maintainable applications.

TECHNICAL SKILLS

Frontend:

- HTML5, CSS3, JavaScript, React.js
- Responsive Web Design
- Component-Based UI Development

Backend:

- Java
- Spring Boot
- PHP
- REST API Development
- Authentication and Backend Services

Databases:

- MySQL
- PostgreSQL
- SQL
- Database Design and Integration

Software Engineering:

- Object-Oriented Programming
- Software Development Life Cycle (SDLC)

- Debugging
- Clean Code Practices
- Version Control with Git/GitHub

TOOLS & PLATFORMS

- Git
- GitHub
- Linux
- Cloud Technologies
- Development Tools

EDUCATION

Bachelor / Software Engineering Studies

University of Lay Adventist of Kigali (UNILAK), Rwanda

Information Technology Studies - System Administration

BYU Pathway Worldwide - Ensign College

Associate Degree in Computer Programming

Rauf Denktas University, Northern Cyprus

PROJECT EXPERIENCE

Full Stack Web Applications:

- Built applications integrating frontend interfaces, backend services, APIs, and databases.
- Developed responsive websites, administrative dashboards, authentication systems, and database-driven applications.

Communication:

- Strong technical communication
- Team collaboration
- Cross-cultural communication

LANGUAGES

English - Professional Fluency

Kpelle - Native Language

French - Basic Knowledge

Turkish - Basic Knowledge

Kinyarwanda - Basic Knowledge

CAREER GOAL

To grow into a highly skilled Software Engineer while contributing to meaningful technology projects, collaborating with talented teams, and building quality software solutions.

OPEN TO OPPORTUNITIES

- Junior Software Engineer
- Full Stack Developer
- Backend Developer
- Frontend Developer
- Java Developer
- React Developer
- Software Engineering Internships
